(d) License Keys. Licensee acknowledges and agrees that installation and/or use of the SOFTWARE may be subject to activation by a license key.

(e) Reservation of Rights. Ixia reserves all rights not expressly granted herein, and Licensee will acquire no such rights, whether by estoppel, operation of law, or otherwise.

2. OWNERSHIP; NO SALE

(a) Ownership. Certain of the SOFTWARE and/or Documentation may contain or is based upon software and/or other materials licensed to Ixia by its affiliates or third party licensors. Licensee acknowledges and agrees that the SOFTWARE and the Documentation constitute valuable trade secrets of Ixia, its affiliates, and/or its licensors (as applicable), and are protected by United States copyright laws and corresponding international treaty provisions. Licensee further acknowledges and agrees that Ixia, its affiliates, and/or its licensors, as applicable, own all rights, title, and interest in and to the SOFTWARE and the Documentation (including, without limitation, all copies, extracts, and associated media thereof, all concepts, logic, protocols, and specifications related thereto, and all images, applets, photographs, animations, video, audio, and text incorporated therein), as well as all patents, trademarks, trade names, inventions, copyrights, know-how, trade secrets, and other intellectual and industrial property rights, and any related applications or extensions, relating to the SOFTWARE, the design, manufacture, operation, and/or servicing of the SOFTWARE, and/or the Documentation.

(c) No Sale. Licensee acknowledges and agrees that the SOFTWARE and the Documentation are licensed to Licensee pursuant to the express terms and conditions of this Agreement and that neither the SOFTWARE nor the Documentation have been sold to Licensee.

3. RESTRICTIONS AND LIMITATIONS

(a) General Restrictions. Licensee shall not, and shall not cause or allow any third party to: (i) use, copy, merge, or transfer copies of the SOFTWARE or the Documentation except as may be expressly and specifically authorized in this Agreement; (ii) rent, lease, lend, or timeshare the Software, or use the Software for service bureau purposes; (iii) sell, market, license, sublicense, distribute, or otherwise grant to any person or entity any right to use the SOFTWARE or the Documentation, except to the extent expressly permitted in this Agreement; (iv) modify, adapt, port, translate, or create derivative works of the SOFTWARE or the Documentation; (v) except with Ixia's prior written permission, publish any performance or benchmark tests or analysis relating to the SOFTWARE; (vi) knowingly take any action that would cause the SOFTWARE or the Documentation to be placed in the public domain; or (vii) attempt to do any of the foregoing.

(b) No Reverse Engineering. To the maximum extent permitted under applicable law, Licensee shall not, and shall not cause or allow any third party to, reverse engineer, decompile, disassemble, or otherwise attempt to discover, reconstruct, or identify the source code of the SOFTWARE or any user interface techniques, algorithms, logic, protocols, or specifications included, incorporate, or implemented therein.

(d) Export Restrictions; Compliance with Laws. Licensee shall not, and shall not cause or allow any third parties to, export, re-export, or transfer, directly or indirectly, any of the SOFTWARE or Documentation to any country or user to which such export, re-export, or transfer is restricted by the laws or regulations of any country without first obtaining all required governmental licenses, authorizations, certifications, and approvals and consulting with Ixia to determine if export authorization is required for that end user or destination. Licensee agrees that authorization is required for such exports, re-exports, and transfers unless Ixia represents to Buyer in writing that no such authorization is required. Failure of Ixia to respond to any such inquiry shall not be taken as a representation by Ixia that no such governmental approval is required. Ixia shall be under no obligation to respond to such inquiries from Licensee or to respond to such inquiries in any particular timeframe. Licensee agrees to comply with all applicable laws, regulations, ordinances, and executive orders relating to Licensee's use of the SOFTWARE and the Documentation.

4. THIRD PARTY CODE

The SOFTWARE may contain or include software code owned or provided by one or more third party licensors ("Third Party Code"). For any Third Party Code identified in the Documentation as being subject to the terms of a separate third party software license (a "Third Party License"), the terms of that Third Party License apply to such Third Party Code independent of the terms of this Agreement, and nothing in this Agreement limits Licensee's rights under, or grants any rights to Licensee with respect to such Third Party Code that supersede, the terms of that Third Party License. To the extent any such Third Party License requires Ixia to make available to Licensee the source code for the corresponding Third Party Code (or any modifications thereto), such source code is available upon request, consistent with the requirements of that Third Party License. For any Third Party Code that is not identified in the Documentation as being subject to the terms of a Third Party License, such Third Party Code may be used by Licensee only under the terms of this Agreement.

Ixia shall have the right, upon reasonable notice, to conduct or direct (or both) an independent accounting firm to conduct, during normal business hours on Licensee's premises under Licensee's supervision, an audit to verify Licensee's compliance with the terms and conditions of this Agreement.

6. TERM AND TERMINATION

(a) Term. The SOFTWARE and Documentation are licensed to Licensee for a limited period of time. That time period (the "License Term") shall be as specified in the corresponding invoice or other transactional documentation that Ixia provides to Licensee or to Ixia's authorized distributor or reseller. Upon the expiration of the License Term, this Agreement, and Licensee's corresponding licenses to the SOFTWARE and the Documentation, shall automatically terminate.

(b) Termination. Ixia may terminate this Agreement and the licenses granted herein at any time by providing written notice of termination to Licensee if Licensee (i) fails to pay any portion of the fees due with respect to the SOFTWARE within ten (10) days after receiving written notice that such fees are past due, (ii) breaches any provision of this Agreement and fails to cure such breach within ten (10) days after receiving written notice identifying such breach, or (iii) terminates or suspends its business, becomes insolvent, admits in writing its inability to pay its debts as they mature, makes an assignment for the benefit of creditors, becomes subject to the control of a trustee, receiver or similar authority, or becomes subject to any bankruptcy or insolvency proceeding.

(c) Obligations Upon Termination. Licensee agrees that, upon any expiration or termination of this Agreement for any reason whatsoever, Licensee shall immediately cease use of, and destroy or return to Ixia, all copies of the SOFTWARE and the Documentation. Sections 1(e), 2(a), 3, 5, 6(c), 7, 8, 9, 10, 11, and 12 of this Agreement shall survive any expiration or termination of this Agreement and shall continue in full force and effect in perpetuity.

7. DISCLAIMER OF WARRANTIES; LIMITATION OF LIABILITY

(a) DISCLAIMER OF WARRANTIES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN ANY WRITTEN WARRANTY AGREEMENT ENTERED INTO BETWEEN IXIA AND LICENSEE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SOFTWARE AND THE DOCUMENTATION ARE PROVIDED "AS IS", AND IXIA AND ITS AFFILIATES, SUPPLIERS, AND LICENSORS DO NOT MAKE AND SPECIFICALLY DISCLAIM ALL EXPRESS AND IMPLIED WARRANTIES OF EVERY KIND RELATING TO THE SOFTWARE, THE DOCUMENTATION, AND/OR USE OF THE SOFTWARE OR THE DOCUMENTATION (INCLUDING, WITHOUT LIMITATION, ACTUAL AND IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT), AS WELL AS ANY WARRANTIES THAT THE SOFTWARE (OR ANY ELEMENTS THEREOF) WILL ACHIEVE A PARTICULAR RESULT, OR WILL BE UNINTERRUPTED OR ERROR-FREE. ANY STATEMENTS TO THE CONTRARY BY ANY

AGENTS, AFFILIATES, LICENSEES, EMPLOYEES, OR RESELLERS OF IXIA DO NOT CONSTITUTE WARRANTIES BY IXIA, DO NOT BIND IXIA, AND MAY NOT BE RELIED UPON.

(b) LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL IXIA OR ITS AFFILIATES, SUPPLIERS, OR LICENSORS BE LIABLE UNDER ANY THEORY OF LIABILITY FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING FROM LOSS OF PROFITS, REVENUE, DATA, OR USE, OR FROM INTERRUPTED COMMUNICATIONS OR DAMAGED DATA, OR FROM ANY DEFECT OR ERROR, OR IN CONNECTION WITH LICENSEE'S ACQUISITION OF SUBSTITUTE GOODS OR SERVICES, OR ANY SUCH DAMAGES ARISING FROM BREACH OF CONTRACT OR WARRANTY OR FROM NEGLIGENCE OR STRICT LIABILITY) IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THE DOCUMENTATION, AND/OR ANY USE OF THE SOFTWARE OR THE DOCUMENTATION, EVEN IF IXIA OR ANY OTHER PERSON HAS BEEN ADVISED OR SHOULD KNOW OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT LIMITING THE FOREGOING, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE MAXIMUM AGGREGATE LIABILITY OF IXIA AND ITS AFFILIATES, SUPPLIERS AND LICENSORS IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THE DOCUMENTATION, AND/OR USE OF THE SOFTWARE OR THE DOCUMENTATION SHALL NOT EXCEED THE TOTAL AMOUNT OF ANY LICENSE AND/OR SUPPORT FEES PAID BY LICENSEE TO IXIA, ITS AFFILIATES, AND/OR ITS AUTHORIZED RESELLERS FOR THE SOFTWARE.

(c) FAILURE OF ESSENTIAL PURPOSE. THE TERMS OF THIS SECTION 7 WILL APPLY NOTWITHSTANDING THE FAILURE OF ANY REMEDY TO ACHIEVE ITS ESSENTIAL PURPOSE.

(d) Responsibilities of Licensee. As a licensee of the SOFTWARE, Licensee is solely responsible for the proper installation and operation of the SOFTWARE in accordance with the instructions and specifications set forth in the Documentation. Ixia shall have no responsibility or liability to Licensee for improper installation or operation of the SOFTWARE.

8. INDEMNITY

Licensee hereby agrees to indemnify and hold harmless Ixia and its distributors from and against any and all claims, losses, or damages (including but not limited to reasonable attorneys' and experts' fees) attributable to (i) Licensee's use or misuse of the SOFTWARE or the Documentation, or (ii) any failure by Licensee to comply with any term, condition, or restriction in this Agreement.

9. NON-DISCLOSURE

Licensee shall take all reasonable steps necessary to ensure that the SOFTWARE and the Documentation, or any portion thereof, is not made available or disclosed by Licensee (or by any of its employees, representatives, or agents) to any person other than as may be necessary for Licensee's employees, representatives, and agents to use the same as expressly permitted herein. Licensee agrees that all of its employees, representatives, and agents having access to the SOFTWARE or the Documentation shall observe and perform the terms of this Section 9.

10. U.S. GOVERNMENT RESTRICTED RIGHTS

(a) Commercial Software. The SOFTWARE and its accompanying Documentation are deemed to be "commercial computer software" and "commercial computer software documentation", respectively, for purposes of Federal Acquisition Regulations ("FAR") 12.212 and the Defense FAR Supplement ("DFARS") 227.7202-1, 227.7202-3, and 227.7202-4, and the restrictions set forth in such regulations, and this Agreement shall be deemed to be the license described in such regulations. Any use, modification, reproduction, release, performance, display, or disclosure of the SOFTWARE or its accompanying Documentation by any agency, department, or entity of the United States Government (the "Government") shall be governed solely by the terms of this Agreement and is prohibited except to the extent expressly permitted by the terms of this Agreement.

(b) Certain Technical Data. Any technical data provided that is not covered by the above provisions is deemed to be "technical information related to commercial computer software or commercial computer software documentation" for purposes of FAR 12.212 and the restrictions set forth therein, and is deemed to be "technical data or information related or pertaining to commercial items or processes" developed at private expense for purposes of DFARS 227.7102-1 and 227.7102-2 and the restrictions set forth therein, and this Agreement shall be deemed to be the license described in such regulations. Any use, modification, reproduction, release, performance, display, or disclosure of such technical data by the Government shall be governed solely by the terms of this Agreement and is prohibited except to the extent expressly permitted by the terms of this Agreement. Such technical data shall also be deemed to be "technical data" for purposes of DFARS 252.227-7015, which clause is incorporated herein by reference subject to the express restrictions and prohibitions set forth above.

(c) Third-Party Acceptance of Restrictions. Licensee shall not provide the SOFTWARE, its accompanying Documentation, or the technical data to any party, including the Government,

unless such third party accepts the same restrictions as are set forth in this Section 10. Licensee is responsible for ensuring that the proper notice is given to all such third parties and that the SOFTWARE, its accompanying Documentation, and the technical data are properly marked with the required legends. Nothing in this Section 10(c) shall be deemed to modify the restrictions on transfer set forth elsewhere in this Agreement.

(b) Equitable Relief. Licensee acknowledges that any actual or threatened breach of the provisions of this Agreement will constitute immediate, irreparable harm to Ixia and its licensors (as applicable) for which monetary damages would be an inadequate remedy; that injunctive relief is an appropriate remedy for any such breach or threatened breach; and that, in such event, Ixia (and/or its licensors, as applicable) will be entitled to immediate injunctive relief without the requirement of posting bond.
